Diocesan priests... who, urged by supernatural grace, enroll in the Order of Saint Dominic, profess a rule of perfection suited to their state.

In this way they become members of special communities called the Priestly Fraternities of Saint Dominic and add a new reason for pursuing greater perfection before God and the world.
HOW TO JOIN

Contact the Provincial Promoter of the Dominican Priestly Fraternities of the nearest province of the friars. In the absence of a Provincial Promoter, inquiries can be made directly to the Prior Provincial, whose contact information can be found on the respective websites of each Province.

Normally, the priest begins a period of formation for about one year, at the end of which he makes his solemn promise to live according to the Rule of the Priestly Fraternities of St. Dominic for the rest of his life. Thus he acquires full membership in the fraternity, and is incorporated into the Dominican Family.

THE PRIESTLY FRATERNITIES OF ST. DOMINIC are diocesan priests who are formally affiliated to the Order of Preachers (Dominicans) through a Rule of life that they profess, and so strive for evangelical perfection under the overall direction of the Dominican friars.

Along with the special grace of the Sacrament of Holy Orders, which helps them to perform the acts of the sacred ministry worthily, they receive new spiritual help from the profession, which makes them members of the Dominican Family and sharers in the grace and mission of the Order, to the sure advantage of the local and universal Church.

While the Order provides the secular priests with these spiritual aids and directs them to their own sanctification, it leaves them free for the complete service of the local Church, under the jurisdiction of their own Bishop.
